ALL THE EXCITEMENT
OF BIG WHEEL
ON YOUR VERY OWN
TOUCH SCREEN

HOW TO PLAY

1. To 'Buy In', insert your money into the note acceptor at any vacant terminal and it will automatically be converted into on-screen chips. You can also give your money to the Dealer. **1**
2. To place a bet, touch the chips on the screen and then either touch the screen where you want to place your bet or drag the chip to another location. **2**
3. To move a chip from an incorrect position, touch the chip and then touch the screen where you want to place your bet or drag the chip to another location.
4. You can place as many chips as you like on any symbol up to the allowed maximum bet.
5. Bets can be placed in units stated on the table limit sign as long as the total of your bets add up to the tables minimum bet. **3**
6. A timer on the screen will count down to let you know how long you have before you must finish placing bets. **4**
7. The Dealer spins the wheel, and after the spin is complete announces the winning result.
8. Each terminal is automatically updated, winning results are paid and losing bets taken.
9. When you want to finish playing, simply press the 'Cash Out' button on the screen and the Dealer will exchange your on-screen chips for cash chips. **5**
